

2nd Periodontal Conference

Warsaw, Marriott Hotel

day	time	program	detailed information
17.03.2016 Thursday			
	15:30-19:30	Prof. Mariano Sanz	Practical course: "Plastic surgical protocols to enhance the aesthetic outcomes in implant dentistry" Sponsored by Nobel Biocare
PERIODONTAL CONFERENCE PROGRAMME			
18.03.2016 Friday			
	11:00-12:00	Participants registration	
	12:00-12:15	Conference opening	
	12:15-13:15	Prof. David Herrera	Lecture: "The role of antimicrobials in the prevention and treatment of periodontal diseases"
	13:15-14:00	Prof. Silvia Roldan	Lecture: "Current approaches to the Treatment of Intra-Oral Halitosis"
	14:00-14:30	Coffee break	
	14:30-15:30	National presentations	
	15:30-17:00	Prof. Marc Quirynen	Wykład: „Niechirurgiczne leczenie periodontologiczne"
	17:15-19:00	General Assembly of the Polish Society of Periodontology	
	19:30-22:00	Welcome party	
19.03.2016 Saturday			
	09:00-14:30	Poster session lasting from 9:00 to 14:30	
	09:30-10:30	Prof. Jan Lindhe	Lecture: "The transition from alveolar process to edentulous ridge"
	10:30-11:30	Prof. Mariano Sanz	Lecture: "Future perspectives in Periodontal Regeneration. Application of bioengineering principles"
	11:30-12:00	Poster session (continued)	
	12:00-13:15	Coffee break	
	13:15-14:15	Prof. Jean-Louis Giovannoli	Lecture: "Making decisions in the treatment of peri-implantitis"
	14:30-15:00	Poster session recapitulation	
	15:00-16:00	Prof. Pierpaolo Cortellini	Lecture: "State of the art of regenerative microsurgical treatment"
	16:00	Closing remarks - Prof. Renata Górka	
	16:00-19:00	Prof. Pierpaolo Cortellini	Theoretical course: "Periodontal Regeneration"
20.03.2016 Sunday			
	09:00-13:00	Prof. Pierpaolo Cortellini	Practical course: "Periodontal Regeneration"
