

2nd PERIODONTAL CONFERENCE

PROGRAM

17.03.2016 Thursday – pre-conference course

15:30 - 19:30	Prof. Mariano Sanz	Practical course: "Plastic surgical protocols to enhance the aesthetic outcomes in implant dentistry" <i>Sponsored by Nobel Biocare</i>
---------------	--------------------	--

2nd PERIODONTAL CONFERENCE PROGRAM

18.03.2016 Friday

11:00-12:00	Participants registration	
12:00-12:15	Conference and Poster Session opening	
Lecture session. Chairperson: dr hab. n. med. Jan Kowalski		
12:15-13:15	Prof. David Herrera	Lecture: "The role of antimicrobials in the prevention and treatment of periodontal diseases"
13:15-14:00	Prof. Silvia Roldan	Lecture: "Current approaches to the Treatment of Intra-Oral Halitosis"
14:00-14:30	Coffee break	
14:30-16:00	Prof. Marc Quiryren	Lecture: „Non-surgical periodontal therapy"
National presentations. Chairperson: dr hab. n. med. Elżbieta Dembowska, prof. nadzw.		
16:00-16:15	dr Bartłomiej Górski	"Clinical and radiological evaluation of the intrabony defects in aggressive periodontitis patients with xenogeneic graft and modified perforated membrane: a 12-month prospective randomized clinical trial. Preliminary results."
16:15-16:30	dr Zuzanna Oruba	"Photodynamic inactivation of periodontal pathogens with the use of toluidine blue and a titanium dioxide-based photosensitizer"
16:30-16:45	dr Jacek Żurek	"The use of allogenic hydrated collagen matrix for the regeneration of gingiva"
16:45-17:15	Coffee break	
17:15-19:00	General Assembly of the Polish Society of Periodontology	
19:00-21:00	Welcome party	

19.03.2016 Saturday

Lecture session. Chairperson: prof. dr hab. n. med. Maria Chomyszyn-Gajewska		
09:30-10:30	Prof. Mariano Sanz	Lecture: "Future perspectives in Periodontal Regeneration. Application of bioengineering principles"
10:30-10:45	Discussion	
10:45-11:45	Prof. Jan Lindhe	Lecture: "The transition from alveolar process to edentulous ridge"
11:45-12:00	Discussion	
12:00-12:30	Poster Session recapitulation – dr hab. n. med. Paweł Plakwicz	
12:30-13:30	Lunch break	
Lecture session. Chairperson: prof. dr hab. n. med. Tomasz Konopka		
13:30-14:30	Prof. Jean-Louis Giovannoli	Lecture: "Making decisions in the treatment of peri-implantitis"
14:30-14:45	Discussion	
14:45-15:45	Prof. Pierpaolo Cortellini	Lecture: "State of the art of regenerative microsurgical treatment"
15:45	Closing remarks - Prof. Renata Górka	

19.03.2016 Saturday – post-conference course

16:00-19:00	Prof. Pierpaolo Cortellini	Theoretical course: "Periodontal Regeneration"
-------------	----------------------------	--

20.03.2016 Sunday – post-conference course

09:00-13:00	Prof. Pierpaolo Cortellini	Practical course: "Periodontal Regeneration"
-------------	----------------------------	--
